Booth Space Assignments

For returning exhibitors space assignments will be made on a point basis. Please refer to the "Preferred Exhibitor Status" list to determine your points in comparison to other Exhibitors. Each exhibitor will be contacted beginning with the company with the most points. That company will have their choice of booths and the process will continue until all past exhibitors have been contacted. On August 15, 2017 the remaining booths will be sold on a first come, first served basis. Each booth reserved must include a completed, signed contract and a 50% nonrefundable deposit on each booth selected. If a selected booth(s) is not secured with the contract and 50% deposit within two weeks of selection, the booth(s) will be forfeited and returned to the pool of available booths.

All booth space will be assigned on a linear (in-line, contiguous) fashion. The booths may be assigned in either a single or double line as long as all of the exhibitors' booths are in the same row, as long as that type of space is available. After all of the larger existing space has been assigned, then an exhibitor may bridge isles, but no physical product or display may actually cross over the public walking space.

Points will be based on 5 points per year exhibited and 2 points per booth, per year (or fraction thereof if sharing a booth). Exhibitors that do not exhibit two years in a row will lose their points.

Booth Location & Sizes

The Show Management reserves the right to alter the location of booths shown on the official floor plans as it deems advisable and is in the best interest of the Exhibition; however, no change of location will be made without full discussion with any exhibitor affected by such changes.

There will be booths available with dimensions of 8' deep by 10' wide and a limited number of booths that are 10' deep by 10' wide. Each booth will have an 8' high back drape and either 8' high side drape, or 3' high side drape and 1-Tele rod for the front of each booth. Each booth will have a 6' long skirted table, two chairs, a wastebasket and an identification sign. Each booth also includes registration for two (2) people for the entire Convention, Trade Show and Awards Banquet.

Booth Pricing & Deadlines

An additional \$60 will be added to the cost of end cap booths. End cap booths are defined as booths with access from more than one aisle.

All booth prices are for KTAI members only. If you wish to exhibit at the Annual Kite Trade Show but are not a member of KTAI, please contact the Association office for non-member pricing. 800-243-8548 / 541-994-9647
